Provides a comprehensive, analytical exploration of contemporary China from 1949 to 2020, guiding students to understand its history, society, and politics while developing advanced research and critical thinking skills.

This book offers readers an opportunity to explore the fascination and complexities of the People's Republic of China from 1949 to 2020. The content covers a wide range of topics and aspects in contemporary China, including politics, foreign relations, ethnic issues, law, social policy, and academic development.

Readership

The target audience of this book is not only university students but also scholars studying China and readers interested in Chinese history. The main buyers of this book are universities, research institutes, libraries, and nongovernmental organizations (NGOs).

Key selling points

- Explores how contemporary China associates with its glorious but complex past.
- Examines how China transforms from a poor nation in 1949 to the second largest economy in the world in early 2000s.
- Analyzes how Chinese Communism evolves to adapt to the modern world.
- Describes what present-day Chinese society, politics, culture, foreign relations, ethnic issues, law, and academic development look like.
