Examines the governance and politics of Kenya since independence focusing on the betrayal of the aspirations of anticolonial nationalism.

This book examines the governance and politics of Kenya since independence with a particular focus on the betrayal by the political class of the aspirations of anticolonial nationalism.

Key selling points

- Comprehensive critique of the political economy of governance in contemporary Kenya since the country's political independence in 1963.
- Based on systematically gathered empirical data and premised on solid conceptual and theoretical frameworks.
- Utilizes rigorous analytical tools rooted in the discipline of political science to produce a comprehensive and critical account of the political state of contemporary Kenya.
- An irrefutable and compelling indictment of the political class that has governed Kenya since independence.
