Series: Anthem Africology Series

Examines the role of political parties in Africa's democratic development, with a focus on Nigeria, governance, elections, accountability, and democratic consolidation.

This book examines the challenges political parties pose to democratic governance in Africa, focusing on political stability, elections, accountability, and democratic consolidation, with particular attention to Nigeria.

Readership

Scholars and students of African politics, political science and democratic governance; researchers of Nigerian politics, elections, and political parties; policy-makers, government officials, and civil society organisations; and institutions and programmes in African studies and development studies.

Key selling points

- Examines the central role of political parties in shaping democratic governance, political stability, and development across Africa.
- Uses Nigeria as a major case study, analysing political parties and electoral contests since the return to democracy in 1999.
- Explores the challenges of adapting European-derived governance models to Africa's diverse political, social, and cultural contexts.
- Connects political party reform with Africa's future, offering recommendations for strengthening democracy, accountability, and good governance in line with the African Union's Agenda 2063.

About the Author(s) / Editor(s)

Dr. E. Ike Udogu is professor emeritus in the Department of Government and Justice Studies at Appalachian State University, Boone, North Carolina, USA. He is the author of articles and books, and recipient of the Who's Who Lifetime Achievement Award for his professional activities, and in academia.
