Offers the first comprehensive analysis of how U.S. politics became polarised and dysfunctional and why things aren't likely to change soon

Using the lens of history, *The Path to Paralysis* offers the first comprehensive analysis of how U.S. politics became polarised and dysfunctional and why things aren't likely to change soon.

Readership

Because of the topic and its lively style, the book will be attractive for use in modern U.S. history courses as well as to a general trade audience interested in politics and history.

Contents
