Investigates the metaphysical, ontological and existential significance of the series in dialogue with a constellation of modern and premodern authors, giving special attention to the way seriality mediates and measures the relation between the individual and the universal, uniting by ellipsis the one and the One

The Seriality of the One investigates the metaphysical, ontological, and existential significance of the series in dialogue with a constellation of modern and premodern authors, giving special attention to the way seriality mediates and measures the relation between the individual and the universal, uniting by ellipsis the one and the One.

Readership

For readers with interests in philosophy and mysticism, especially regarding the question of individuality and the nature of quality and quantity

Key selling points

- A speculative and poetic treatment of fundamental questions about the nature of reality
- A fresh consideration and critique of the pervasive problem of quantophobia
- An eclectic study whose more prominent points of inspiration are Augustine, Dante Alighieri, Meher Baba, Hilan Bensusan, Emanuele Coccia, Markus Gabriel, G. W. F. Hegel, Friedrich Nietzsche, Clarice Lispector, and Pierre-Joseph Proudhon.
- A new metaphysics of seriality.
