RIGHTS

Exclusive: WORLD

Charles Edward Russell was a major intellectual and political figure of the late nineteenth- and early twentieth-century United States. As a very well-known American radical, he published many books on the US economy, the condition of workers, social issues, and other subjects. He was an active member of the American socialist movement before 1917, but when the US entered the war in 1917 he moved to support the US war effort, something many radicals had still opposed. When President Woodrow Wilson was preparing a special delegation to Russia in the summer of 1917, he added Russell to the delegation in an effort to include a radical at a time when the Russian Provisional Government was increasingly socialist.

Key selling points

Another view of Russia on the eve of revolution

The author is an interesting person his own right as an American who became enamored with fascism

Contents

Rex A. Wade Editor's introduction; Unchained Russia; I. New Russia and "the Tsar's War" ; II. The Real Propulsion and the Real Hope ; III. Two Aspects of the New Faith; IV. The Old Regime and Its Fruitage ; V. A Broken Down Railroad and What Came of It ; VI. The Part Played by Russian Women; VII. The Peasant
