Examines episodes of philosophical embarrassment, highlighting how Hume, Wittgenstein, and others grappled with critiques that undermined philosophy's foundations, leading to redefinitions of its aims and cautionary responses to scientism and self-deception

This book explores moments of philosophical embarrassment, focusing on Hume and Wittgenstein, who recognized how their critiques challenged the very foundations of philosophy. It examines how figures like the Vienna Circle and Quine redefined philosophy's aims and how the later Wittgenstein warned against the pitfalls of scientism and self-deception.
