**The only edited collection that provides the first accessible, introductory but critical guide to law and humanities; explores law and humanities field by field; and represents a major work in the development of law and humanities as well as interdisciplinary legal studies generally.**

This edited collection provides the first accessible introduction to Law and Humanities. Each chapter explores the nature, development and possible further trajectory of a disciplinary 'law and' field.

## Contents

## About the Author(s) / Editor(s)

**Daniel Newman** is Professor of Law at Cardiff University. His research interests focus around access to justice including exploring popular understandings of law and justice through music.

**Russell Sandberg** is Professor of Law at Cardiff University. His research interrogates the interaction between law and humanities, with particular reference to law and religion and legal history.
