Size: 140 x 216 mm / **Exclusive:** WORLD
 5.5 x 8.5 inches

A former Trump supporter's reader-friendly compilation of letters charts his disillusionment and offers a sharp, conversational critique of Trump's actions, abuses of power, and perceived threats to democracy.

Make America Sane Again: Reflections on Trump's Travesties is an analysis of Donald Trump's many travesties, dating back to his first inauguration but concentrating on his second term. The book is a nearly daily analysis of Trump's horrors, one by one, including his personal demons, his quest for unlimited power, and his various wars on democracy, justice, women, trans-genders, medicine, science, universities, free thought, law firms, the environment, the IRS, the homeless, poor people, Africa, and more. The analysis is written with a meticulousness and rigor that reflects the author's scientific training, but in a conversational, easy-to-read letters-to-the-editor style. (A number were published in the NYT or Chicago Tribune.) Furthermore, many of the letters have a bit of a twist in them, enlivening the discussion. The style is unique in the political reporting genre.

Key selling points

- Presents the reflections of the author, who has a unique, for the political genre, background as a physician/scientist.
- Depicts a unique style, letters-to-the-editor, which is conversational and easy to read.
- Provides a comprehensive analysis of scores of Trump's harmful policies.
- Appeals to a huge potential readership comprising the half of America (and more abroad) who find Trump abhorrent; for example, the many millions who demonstrated in the "No Kings" rallies.

About the Author(s) / Editor(s)

Sheldon Hirsch is a nephrologist and author of two books (The Beauty of Short Hops and Hot Hands, Draft Hype, and DiMaggio's Streak). He lives in the Chicago area.
